NO. 3
CONSTITUTIONAL AMENDMENT
ARTICLE XI, SECTION 5
Requiring Broader Public Support For Constitutional Amendments Or Revisions

Proposes an amendment to Section 5 of Article XI of the State Constitution to require that any proposed amendment to or revision of the State Constitution, whether proposed by the Legislature, by initiative, or by any other method, must be approved by at least 60 percent of the voters of the state voting on the measure, rather than by a simple majority. This proposed amendment would not change the current requirement that a proposed constitutional amendment imposing a new state tax or fee be approved by at least 2/3 of the voters of the state voting in the election in which such an amendment is considered.

NO. 4
CONSTITUTIONAL AMENDMENT
ARTICLE X, SECTION 27
Protect People, Especially Youth, From Addiction, Disease, And Other Health Hazards Of Using Tobacco

To protect people, especially youth, from addiction, disease, and other health hazards of using tobacco, the Legislature shall use some Tobacco Settlement money annually for a comprehensive statewide tobacco education and prevention program using Centers for Disease Control best practices. Specifies some program components, emphasizing youth, requiring one-third of total annual funding for advertising. Annual funding is 15% of 2005 Tobacco Settlement payments to Florida, adjusted annually for inflation. Provides definitions. Effective immediately.

This amendment requires state government to appropriate approximately $57 million in 2007 for the Comprehensive Statewide Tobacco Education and Prevention Program. Thereafter, this amount will increase annually with inflation. This spending is expected to reduce tobacco consumption. As a result, some long-term savings to state and local government health and insurance programs are probable, but indeterminate. Also, minor revenue loss to state government is probable, but indeterminate.
